

*“Even though one in three seniors might be eligible for A & A sometime in their life, very few people actually know about the VA Benefit.”*

## Did You or Your Spouse Serve Your Country?

You could qualify for up to \$2,200 per month to pay for personal care services.

### Long Term Care Can Be the Greatest Crisis Facing Seniors

Everyone, regardless of current health, should plan for how they will deal with this crisis in their own lives. With the need for care, the elder loses his or her grasp on the three most important lifestyle concerns:

- ◆ Remaining independent
- ◆ Having enough money
- ◆ Maintaining good health

## How Do I Qualify For Aid and Attendance?

The pension (up to \$2,200 per month) is for any veteran, age 65 and older who:

- ◆ served during a period of war,
- ◆ received an honorable discharge.
- ◆ meets income requirements
- ◆ needs assistance with daily living on a regular basis to stay independent in their chosen place of residence.

*A pension benefit is available to the single surviving spouse of a veteran who served during a period of war.*
